

Attachment 6

References

Please provide three references for each proposed solution and implementation vendor that most closely reflect consulting projects that are similar to the proposed scope of work. Proposers must use the following format to submit reference. **NOTE:** LOGIS will not accept responses that indicate that references will be provided at a later time.

GENERAL BACKGROUND

Name of Client:			
Number of Employees:		Size of Operating Budget:	
Contact Name:		Contact Title:	
Contact Phone:		Contact Email:	

PROJECT SCOPE

(Place an "X" only in boxes for which implementation was conducted)

Financials					
<input type="checkbox"/>	Accounts Payable	<input type="checkbox"/>	General Ledger	<input type="checkbox"/>	Project Accounting
<input type="checkbox"/>	Accounts Receivable	<input type="checkbox"/>	Grants Accounting	<input type="checkbox"/>	Treasury
<input type="checkbox"/>	Asset Management	<input type="checkbox"/>	Inventory	<input type="checkbox"/>	Utility Billing
<input type="checkbox"/>	Budget Preparation	<input type="checkbox"/>	Purchasing	<input type="checkbox"/>	

Human Capital Management					
<input type="checkbox"/>	Benefits	<input type="checkbox"/>	Human Resources	<input type="checkbox"/>	Payroll
<input type="checkbox"/>	Time Entry	<input type="checkbox"/>	Workforce Management	<input type="checkbox"/>	

Utility Billing					
<input type="checkbox"/>	Utility Billing	<input type="checkbox"/>		<input type="checkbox"/>	

PRODUCT

Name of Product installed:	
----------------------------	--

Type of Deployment (Place an X in all boxes that apply):

	On-Premise		Hosted Service		Managed Service		SaaS
--	------------	--	----------------	--	-----------------	--	------

SERVICES INFORMATION (Indicate Role with "P" or "SP")

(Indicate with "P" (Primary) or "SP" (Sub-Primary) role for implementation task related to reference)

Role	Task	Role	Task	Role	Task
	Project Management		Configuration		Traceability Requirements
	Change Management		Business Process Reengineering		Testing
	Technology Sizing		Post Production Support		

OTHER INFORMATION

Date of Initial Go-Live:		Upgrade Date:	
Current Version of Software:
